

*HIMALAYAN MOUNTAIN DOG REGISTRY***Breeding Verification/Artificial Insemination Affidavit**

If the Registration Holder of the stud dog is not the same as the bitch, the stud's Registration Holder completes the first section of this form, and if applicable also includes semen collection and shipping information. If this litter was conceived by artificial insemination, the person completing the artificial insemination completes the second section of this form. The Registration Holder of the stud should sign this form on the date of mating or the date of collection or shipping of the semen. This signed form should be uploaded with the Litter Registration Application.
